## Richard Language College and Bournemouth

Richard Language College is a medium-sized school for adults situated on the south coast of England in a safe, high-class residential area. Bournemouth is a cosmopolitan, seaside resort where most people speak clear English. The college is accredited by the British Council and was the first English language school in Bournemouth to pass an inspection aimed at maintaining excellence in language schools across the whole of Europe. The inspection was carried out by EAQUALS (The European Association for Quality Language Services). The college specialises in short intensive programmes and enjoys a high reputation, developed over 70 years, for long courses. We are also the IELTS/TOEIC testing centre for the region. Richard Language College offers small classes, a good nationality mix and full social programme. Facilities include multi-media resources, free Internet access and cafeteria.

## Course

The one teacher to one trainee formula means a highly intensive, flexible and well-organised teaching programme that optimises use of the available time. Before the course begins, trainees complete a Needs Analysis Questionnaire so that the precise language aims can be identified.

As an optional extra we offer two restaurant lunch discussions per week with a teacher. This is an excellent opportunity to review progress, to try out language structures learnt on the course.

We can also offer specialist tuition for participants who require English for Specific Purposes, including:

- Computing
- Journalism
- Airlines
- Banking
- Business Management
- Information Technology
- Hotels and Tourism
- Technicians & Engineers
- Oil Companies
- Customs and Excise
- Administration
- Secretarial
- The Armed Forces
- Law
- Diplomacy
- Government

## Executive Homestay Accommodation

Accommodation will be with one of our experienced British host families and executive families offer a higher standard of accommodation. Staying with a host family gives the opportunity to practise what has been learned during the day and absorb English expressions, which only occur in the home or family. Accommodation will provide a single room with half board during the week and full board at the weekend.
